

NONPROFIT PARTNER GUIDE

How It Works

The GiveSmart Item Shop gives nonprofits a seamless way to offer top-selling, risk-free travel, experience, and jewelry packages from trusted providers. Every package is designed exclusively for nonprofit events and has a set **Cost to Nonprofit** price that you pay only if it sells.

No upfront payment

Nothing is due when you order.

No markups or fees

You pay only the Cost to Nonprofit.

Pay only if it sells

Unsold packages cost you nothing.

FIVE SIMPLE STEPS

1

Shop packages

Scroll or filter packages by category. Click any image or link to open the product page, then add the package to your cart or keep shopping.

2

Check out

Click the cart icon to review your order, then click **GO TO CHECKOUT**. Complete the requested information and submit your order.

No payment or credit card is required. You are billed only after your event, and only for packages that sell.

3

Get your marketing materials

- **Travel:** Right after you submit your order, download a PDF for each package. It links to the package description, images, promo video, social media graphics, and printable posters. Your confirmation email includes the same links.
- **Jewelry:** Jewels With A Purpose emails you within 1 business day with your marketing materials and a link to request free shipping to your event.

WHAT HAPPENS NEXT

After You Order

4

Work one-on-one with our providers

After you submit your order, each item provider reaches out to introduce themselves and confirm your order.

After your event, they contact you to confirm which items sold and send your invoice. If nothing sold, there is no payment due.

5

After your invoice is paid

- **Travel:** Auction Packages contacts your winners with their travel voucher and instructions for booking their trip through Concierge Services.
- **Jewelry sold online:** Jewels With A Purpose collects your winner's name and address and ships the items directly to them.
- **Unsold jewelry:** Jewels With A Purpose sends you instructions for returning the items at no cost.

SHIPPING JEWELRY TO YOUR EVENT

Order at least **10 days before your event** to guarantee on-time arrival. Shipping to and from your event is free.

THERE IS NO PAYMENT OR OBLIGATION IF YOUR PACKAGE DOES NOT SELL AT AUCTION.
